

Our first contest received several drawings and it was difficult to decide a winner. However, the decision was made and the winner is Dahlia Breivik, 7 years old, of North Star Lodge. Her picture, left, is of 'Trolls in Nature'. Congratulations Dahlia! I also want to mention the children who participated in the contest.

Thank you Penelope and Connor Schilbach of Varden Lodge, also Jaxon Zaharoff of Varden Lodge and Maren Breivik of North Star Lodge. You are all winners and I encourage you to keep on drawing. It has been a pleasure to conduct this contest and perhaps next year we will do this again.

## President's Message

**Greetings!!** The days get longer and warmer and the landscape erupts with greenery and flowers – Spring is here! We are thankful for each rain shower as we need the moisture to help prevent

wildfires and support the news that the Okanagan should see a return to a full range of fruits over this summer. It will be wonderful to see some local cherries and stone fruits, like peaches and apricots, again.

The Leiflette will come out after Syttende Mai but I can report I am looking forward to our lodge celebration with a potluck picnic and parade. The celebrations in Oslo are so special – lots of flag-waving families in bunads and bands marching throughout the city streets. This is also common in most small cities and communities throughout the country. I expect we might see a great deal more families out waving flags for Canada Day this year to celebrate and show our pride of being Canadian.

Spring is a time of new beginnings and for many students graduating from High School, it is time to begin a new path into the future. Congratulations to all those who are graduating. If you have a family member beginning an undergraduate degree, a trade, or a certificate, please check out the student awards offered by the Sons of Norway Foundation in Canada and encourage these students to get their applications in before the deadline of August 30th.

District 7's Heritage Camp at Hatzic Lake takes place August 7 to 10. Check it out on the D7 webpage, register, and bring your family to participate in a variety of workshops and cultural sessions as well as lots of social time with members from across our province. I hope to see you there.

Over the summer, lodge meetings are often on hold, but there are opportunities to gather your members at a local park for a picnic or a game of kubb, ball or bocce. Maybe this could be used as an opportunity to recruit people by advertising and including new people in your plans.

Have a good summer!

*Fraternally, Gloria*

## Editor's Message

**This is the last Leiflette until October so we can all take a long break! The next deadline will be September 5.**

We turned our air conditioner on for the first time yesterday but tonight there was a little rain and the heat will abate a bit. We all remember the heat dome we had a couple of years ago so we must all be careful with any fires we set when camping or having a picnic.

I was a little surprised that a few teens didn't send in drawings. The pictures were all from 3 to 10 year olds - good on them! If Krista decides to do it again next year we must encourage the older kids to take part as well.

*Enjoy the summer break!*

## Lodge Updates

### Sleipner Lodge 8 Vancouver, B.C

Hi everyone. I hope you all got a head start on your Summer. My goodness. The work that has been on in approving our lodges' park at Hatzic is incredible. I think that our park has gone up at least one star. Congratulations to all of you that were involved. At this time there is an issue with the pool pump again. Drat.

The lodge held it's AGM at the Scandinavian Center in Burnaby. It was well attended. It was nice to have a lodge social event at the center.

There are a number of events planned by the lodge to be held at the park this season. There will be May Long Weekend events. The regalia for our Lodge Queen has been missing for a number of years. Just the other weekend Katrina Snowball found it in the attic of her mom's cabin at Hatzic. Who will be our Border Queen this year?

An event to honor our vol-

**Varden Lodge 18**  
New Westminster, B.C.

**Greetings!** I said in the Leiflette's February issue Varden was planing to have an Officer's Brunch in March well we did. The Brunch was a lovely affair at the Earl's in Port Coquitlam. We had one of our youngest members, Penelope Schilbach, and one of our oldest, Vivian Bates, attend. Both dressed up for the occasion. Penelope wore a lovely dress and had a cute bow in her hair. While Vivian wore a beautiful Norwegian sweater. Overall it was an enjoyable occasion with good food and company.

Sadly, we had to cancel our Easter Egg hunt but we are going to take part in several events during the late spring and summer. We plan

to celebrate Syttende Mai with our fellow lodges at a dinner at the Scandinavian Community Centre in Burnaby. Then on June 21 our members will be representing Sons of Norway at the Mid-Summer Festival also in Burnaby. We'll have a booth decked out with several Norwegian crafts, Viking Magazines and most importantly a huge map of Norway. We ask the public if they are of Norwegian descent to put a pin on the place their ancestors are from. Last year we had pins going north and south

all the way from Hammerfest to Stavanger.

There are several events in July that Varden will participate in. One is the Border Festival at Peace Arch Park on July 13th. Both American and Canadian lodges attend and we all have fun whether picnicking

or playing Kubb. Also there will be entertainment and the crowning of the Festival's King or Queen.

Another July event is Varden Lodge's celebration of its 112 Anniversary at Ryall Park in New Westminster on July 20. This is a family affair as near to the picnic tables is a children's water park. The picnic will happen whether rain or shine because the picnic tables are

### Dawson Creek Lodge 79

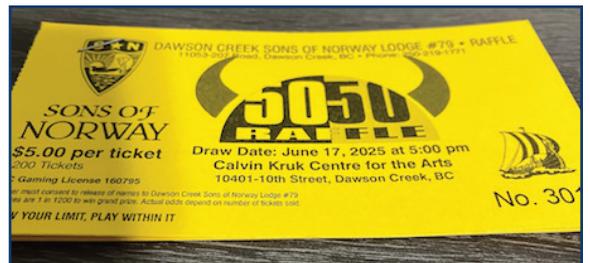

Dawson Creek, B.C.

**It is very quiet these days at our Lodge.** We are looking forward to May 17th supper and social, and in June our picnic. Our April meeting was very small in numbers, but we did get some business taken care of. Our yearly fundraiser, a raffle,

A little girl Scandinavian outfit shown by one of our members

was set up. We decided on a 50/50 raffle and as always,

the members need to sell, sell, sell. We will be setting up sale days at the local store for a day to sell. This is always a good event for us.

We are all looking forward to summer, gardening, camping, holidays

and just hanging out. There is nothing more relaxing than sitting on the patio, having a coffee with friends and family.

We wish everyone a good summer and we are ready for Fall to continue on with the Lodge.

*Until Next Time;*

## Viking Lodge 81

Surrey, B.C.

### REMEMBERING KARIN NILSEN

It was with sadness that I announced at our April 3rd, 2025 Members meeting that Karin Nilsen, an original member of Viking Lodge, passed away on March 31st, 2025. At Karin's request there was no service however, we did have a Minute's Silence in her honour at our meeting. She will be missed.

### VISIT TO HJORTH ROAD ELEMENTARY SCHOOL

Gerry and Mari-Ann Jensen and myself enjoyed a visit to the EARTH DAY EXHIBIT at our adopt-a-school, Hjorth Rd. Elementary, on April 25th. The principal took us to the gym where on the walls was artwork of the Grades 1 – 7. It was amazing to see the skill of the artwork done by these students as well as the written remarks made by them relating to

how they feel about our planet and what they hope everyone will do to improve it.

In the past, and now, this school has many immigrant children, as well as children with disabilities. In addition, with Canada adding over the past several years, families from war torn countries with traumatic mental health issues, this is another layer that our schools are now coping with.

Ms. Reena Parhar Chohan, the Principal, and her staff, are doing an amazing job with the kids. She also showed us their storeroom which, because of our Lodge's generous donation, with the help of the Helping Hands Grant awarded to us by the SON Foundation, is now fully stocked with every conceivable art supply including paper, stockboard, paint, brushes, etc. which we have now seen, in person, at work with their EARTH DAY exhibit. Ms. Chohan said this work is vitally important for children to express their feelings on paper when they are dealing with traumatic experiences and life challenging

disabilities. So thanks to all who are making a difference in the lives of these children.

### ELIZABETH (BETTY ANN) SEIM

On April 25th, 2025, I had the pleasure of spending a few hours with one of our members, Elizabeth (Betty Ann) Seim. She greeted me at the door with a "welcome to my home" wearing a traditional summer costume from Trondheim, Norway, where her mother, Martha (aka Marie) Chelde originally came from.

Her father, Eric Howitt Selby, was from England and came to Big Valley, Alberta in 1921. While on her way to Canada, her mother, Marie, worked on a piece in the old style of beige on beige Hardangersom called "cut work". In 1926, her mother arrived in Big Valley, where Eric and Marie met and married. Her Dad went to work for a Meat Market Chain and worked all over the Okanagan Valley.

Elizabeth (Betty Ann) Seim

They eventually moved to Penticton, where Betty Ann was born.

Betty Ann, like her mother before her, has a special gift of creating wonderfully hand worked Hardangersom. She

had been working for Woolco for 26 years when a member of our Lodge told her about an ad for a teacher at the Loving Stitch in the Dell Shopping Centre in Delta, B.C. She was hired and taught classes for the next 20 years and retired from the store at 75. Over the years, approximately 900 people were taught this wonderful skill by her and she told me she "has shared what she loves with every stitch".

**Hardanger  
Lodge 109** Kelowna,

The Viking shields that members constructed last year are nearing completion. Members are to complete the painting of designs so that the shields can be displayed at our Syttende Mai celebration.

Following our March meeting, Darlene Osterlin gave an interesting talk with

photos of her October trip to New Zealand where she joined a small group of hikers and explored several local trails.

Gary Goplen was gifted with an iron Viking axe head and brought it to show and tell. He gave an interesting presentation about the populating of northern Europe up to the Bronze Age.

Our Syttende Mai celebration will be a potluck supper of salads and desserts with polse and lompe being served at the home of Wenche Gransjoen.
